

LUTON

STREET PASTORS™

Making a positive difference

We would like to share with you some of the ways in which we have served God over the last 10 years.

During the hours of 10.30 pm and 03.30 am on Fridays and Saturdays we show God's love to people on the streets of Luton as we are:-

“here to listen...”

Listening

-  We provide a non-judgemental ear for those experiencing difficulties.
(We are people to talk to and share problems with.)
-  Sometimes we pray with those we meet.
-  We always follow up our encounters by praying for the people we have met during our team prayer times.

We had at least
984 conversations with a variety
of people in 2017

We referred many to other
agencies and prayed for all of
them.

Helping

-  We help to keep people safe by removing potential weapons of bottles, cans, glasses and broken glass.
-  We help people return home safely and sometimes provide transport.
-  We are a calming, prayerful presence when anger is shown.

In 2017

We collected 2,225 cans

Removed 1,420 bottles

We made significant differences
at 18 anti social incidents

“here to care...”

Caring

-  We give flip-flops to people who can't walk any further in their shoes and in this way we prevent injuries.
-  We provide warmth, food and drinks for those in need.
-  We help those in need of medical attention.

In 2017

We gave out approximately 70 flip flops

We regularly provided free drinks purchased from local snack shops.

Often we gave hot food to the homeless and provided a warm safe space for a few nights in the coldest months.

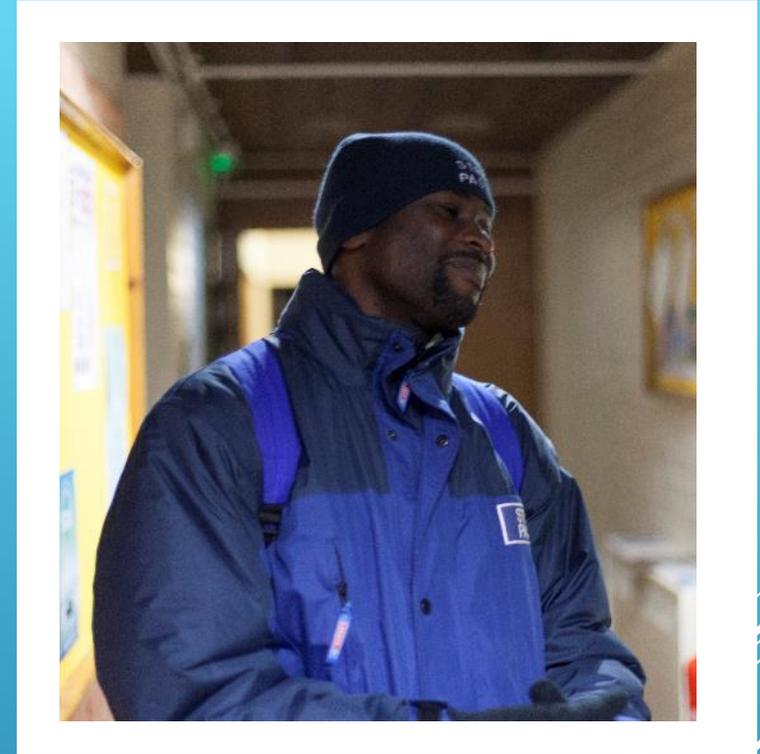

There are now only 22 of us.
Without more we can only do less.

Come and spend a patrol with us.
Better still join us.

Training will start in September 2018.

There is a reduced commitment from £300 to £100
to cover the cost of training and uniform.
