

Attack on Peacehaven Mosque on Saturday 4th October, 2025

As Christian leaders in Luton we join with our colleagues and friends of all faiths in Luton in condemning the attack this weekend on the mosque in Peacehaven, Sussex. We endorse totally the attached statement by Luton Council of Faiths.

Importantly we join with our colleagues at this time in committing ourselves to stand against all violence, prejudice and extremism however it is expressed. We cannot allow the conflict of recent days to escalate further.
