

Get the Kitemark accreditation as a Faith Leader or as a Place of Worship.

Join our kitemark accreditation training to get tips on how to work well with schools. Whether you are hosting visits, visiting schools to represent your faith and belief, or delivering a talk, this training can give you the confidence to ensure you are providing the best experience for schools.

This face to face session will be led by RE Hubs Director, Claire Clinton and Community Specialist in partnership Luton Council of Faiths, Grassroots Programme and FEAST. These organisations have decades of experience of working well with schools.

RE Hubs is a national project seeking to build relationships between Advisers, Dioceses, Universities, SACREs, LAs, Governors, MATs, Teaching school Hubs, places of worship, school speakers and more.

Delegates that have signed up to our agreed principles for working with schools, will then be accredited with our RE Hubs Kitemark.
